

HHIP Street-Based Housing Navigation

Housing and Homelessness Incentive Program

Housing and Homelessness Incentive Program (HHIP)

The California Department of Health Care Services (CDHS) has contracted with WestCare California to assist in improving partnerships and addressing housing and homelessness among Medi-Cal members. Our goal is to provide individuals the right service, the first time.

Our Services

- Street- Based Housing Navigation Services
- Linkages to local Coordinated Entry System
- Linkages to Enhance Care Management (ECM) services, community supports, street medicine, and deposit assistance.
- Assistance with retrieval of vital documents and services needed to obtain housing.
- Assistance with unit identification and housing applications.
- Transportation to appointments
- Advocacy

Housing Homeless Incentive Program (Continued)

Counties Served:

- Fresno and Madera County

Referrals :

- Street Navigators will receive and make referrals to the Coordinated Entry System.
- Street Outreach will be conducted daily
- Families/ Individuals will be assessed and connected with needed community services.

Lengths of Stay

- Individuals will receive services until they are linked to appropriate housing intervention or services are no longer needed.

Services at this location are funded by:

- Cal-Viva Health Net and Anthem Blue Cross of California Partnership Plan, Inc.
